**OFFICE OF COLLECTION & DISSEMINATION
LIAISON DIVISION**

Serial LDR-75

31 March 1953

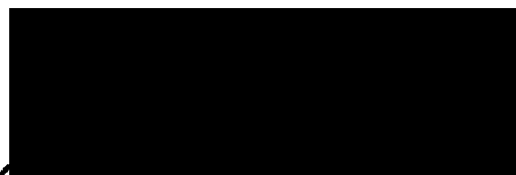

SUBJECT: Notice of U. S. Government Officials' Travel.

1. Attached is a list of U. S. Government officials of the non-IAC Agencies who have returned to the U.S., or who are about to return, after official business abroad. This list may be circulated within all offices of CIA and within the IAC Agencies for the information of intelligence specialists.

2. Intelligence specialists of CIA who wish appointments made for them with any of the officials listed should request such appointments through channels to the Non-IAC Branch (ext. 3415) Liaison Division, OCD. Intelligence specialists of the other IAC Agencies wishing appointments should make them direct through their own channels and without reference to CIA.

3. Intelligence specialists may send written requirements through established channels for collection. Such requirements should bear a notation as to the officials on the attached list from whom the information should be collected.

4. The attached list may be treated as an UNCLASSIFIED document when this page has been removed.
